ON THE OUTSIDE OF SOME BUILDINGS YOU MIGHT FIND <u>LEDGES</u>! HELP! IF YOU WANT TO WRITE NOTES <u>ABOVE</u> OR <u>BELOW</u> THE STAFF, YOU WRITE <u>LEDGER LINES</u>!

If you remember that *ledges* are outside buildings, you might remember that *ledger lines* are written outside the staff.

You can write notes on these lines or in between their spaces. See?

To find a note above the staff, start with the fifth line F and name notes alphabetically above F, until you arrive at the note name you want.

Try naming 25 notes using ledger lines.
