

ON THE OUTSIDE OF SOME BUILDINGS YOU MIGHT FIND LEDGES! HELP!
 IF YOU WANT TO WRITE NOTES ABOVE OR BELOW THE STAFF YOU WRITE LEDGER LINES!

If you remember that *ledges* are outside buildings, you might remember the *ledger lines* are written outside the staff.

You can write notes on these lines or in between their spaces. See?

To find a note below the staff, start with the first line E and name all the notes below E backwards in the alphabet, until you arrive at the note you want.

Try naming 25 notes using ledger lines.
